

Georgia Marching Band Series Adjudication Computation Format

2011

<u>Judge</u>	<u>Raw Score</u>	<u>Factored Score</u>	
Music 1	(100 possible)	Raw X .20	<i>Scores Averaged Mathematically by Factors (see below)</i>
Music 2	(100 possible)	Raw X .20	
Marching	(100 possible)	Raw X .25	
Overall Effect*	(100 possible)	Raw X .25	
Percussion	(100 possible)	Raw X .05	
Auxiliary	(100 possible)	Raw X .05	

Total 40% of Overall

Overall Band Score = Sum of Factored Scores (100 possible)

*NOTE: Drum Major Scores are 100 Points X (times) a Factor of .05 on the Overall Effect Adjudicator's Sheet. The factored score is totaled into the Overall Effect Score. To determine the drum major's rating use the raw score of 0-100 on the Effect Adjudicator's Sheet.

Majorettes and Feature Twirlers will receive a separate rating from the Auxiliary Adjudicator. However, majorettes and feature twirlers are considered in the Auxiliary Score.

For more information and/or a complete explanation, please see the Adjudicators Sheets posted on the Georgia Marching Band Series website: www.georgiamarchingbandseries.com
